# Reservoir Gradient

Jay T. Lennon, Megan L. Larsen, & Mario E. Muscarella 28 September, 2015

Project looking at microbial composition and processes along a reservoir gradient.

## **Initial Setup**

```
rm(list=ls())
getwd()
setwd("~/GitHub/ReservoirGradient/analyses")
# Import Required Packages
require("png")
## Loading required package: png
require("ggplot2"); require("ggmap")
                                              # Mapping Tools
## Loading required package: ggplot2
## Loading required package: ggmap
require("reshape"); require("plyr")
## Loading required package: reshape
## Loading required package: plyr
##
